

22 Cylinders Drive KINGSCLIFF NSW

588m² Vacant Block On Beachfront Street

This premium allotment is situated in a blue chip location directly across the road from the beach and surrounded by some of the most exclusive properties in Salt.

Scarcity is driving prices up. The market has tightened and blocks of land on beachfront streets are tightly held. Currently there is very little available for purchase in this master planned beachfront estate.

This particular allotment is your opportunity to live at an exclusive and premium address. Get in before the chance escapes and you look back wishing you had committed sooner instead of missing the opportunity to get in when prices were still reasonable.

Price : \$ 1,050,000
Land Size : 590 sqm
