

10 Tamarama Drive KINGSCLIFF NSW

The titles have been issued and building can commence however the owners of this high quality parcel of vacant "Salt Village" creekside land no longer wish to proceed with the construction of their home by the sea. A big plus for the property is the bush setting to the backyard providing a sense of privacy and space and an 18 m wide boundary.

Located Creekside, the block is close to the Salt shopping district, proposed Casuarina Town Centre and Patrolled beaches. The owners are very realistic and acknowledge that now is absolutely the right time to buy outstanding real estate at superb levels, so if you've ever aspired to living in a master planned seaside community but thought the prices were out of your reach - think again!
