PRIVATE SANCTUARY WITH EXTRA INCOME POTENTIAL

Displaying a natural affinity with the outdoors is this multi-level lifestyle sanctuary in a quiet dress circle edging Cudgen Creek.

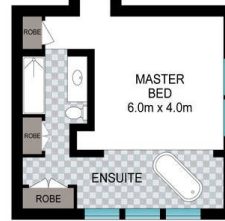

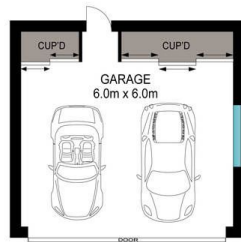

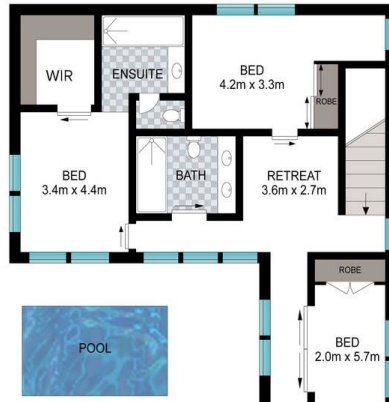

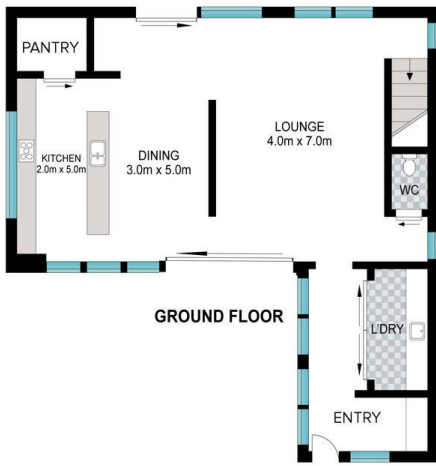

Architect designed for ultimate liveability and utmost privacy, the floor plan offers a detached multi-purpose studio, office zone, four bedrooms and a multitude of social space across two levels.

Modern industrial elements of polished concrete, timber cabinetry and matte black accents define the light-infused ground floor footprint where open-plan living and dining spills seamlessly beyond mobile glass to a covered alfresco poolside terrace to the north, and a dining pavilion
