Single Level Home On Generous Block, Add Value In Relaxed Beach side Location

Exuding a warm and welcoming ambiance, this easy care single-level home makes a statement in relaxed beach side living.

A functional floor plan integrates with the outdoors to provide a seamless entertainers retreat beset by a generous 627m2, secluded fully-fenced yard with sunny, level lawns and ample room for a pool and the kids to run around.

With an easterly aspect natural light fills the immaculate interior which includes modern finishes, generous proportions and an open living area with high angled ceilings and satin-finished hardwood floorboards.

Price : \$ 880,000
